HWE SERIES
ALL-ELECTRIC

PRESSURE WASHERS / SINCE 1970

FEATURES

3.5 to 4.0 GPM @ 2000 to 3000 PSI
Auto Start/Stop

HOT WATER | **ALL-ELECTRIC** | **BELT DRIVE**

Magnetic Motor Starter for long life of reliable starting.

Mounted on a **Power Platform** with four vibration isolators to minimize shaking and stress on the frame.

The **Auto Start** function allows the unit to be turned on with the pull of the trigger for convenient remote operation.

Inlet Filter strainer protects pump from debris.

50 ft. **High Pressure Hose** rated for up to 5000 PSI with Insulated, fatigue-free Trigger Gun and stainless steel, dual-lance **Variable Pressure Wand.**

Three quick-coupler **Nozzles** are made of hardened stainless steel and mounted for ready access.

Heavy-duty **Upper and Lower Cabinet** is protected by an epoxy powder coat finish.

Safety **Low-Water Float Switch** protects heating elements from burn out due to lack of water.

Easy-to-attach **Detergent Injector** for easy soap application.

Contains nine high-efficiency **Heating Elements** that do not come in contact with the pressurized water, resulting in reduced scale build up, lower maintenance, and longer life.

Hotsy-designed **Triplex Pumps** carry a 7-year limited warranty and **Heater Coil** carries a 5-year warranty.

OPTIONS FOR HWE SERIES

Stainless Steel Washer Wrap

Option, Time Delay Shut Down

NOTE: We are constantly improving and updating our products. Consequently, pictures, features & specifications in this brochure may differ slightly from current models. Flow rates & pressure ratings may vary due to variances allowed by manufacturers of our machine components. We meet the CETA testing specs for machine performance at +_10% and in some cases are tighter within +_ 5% of listed specifications.

Specifications & product descriptions subject to change without notice. Hotsy's manufacturing facilities have established and apply a quality and environmental management system to be ISO 9001:2008 and ISO 14001:2001 certified.
